

Certificate of Registration

PricewaterhouseCoopers LLP has assessed whether the management system at

Dunkley Lumber Ltd.

17000 Dunkley Road, Hixon, VoK 1S1, Canada

meets the requirements of the standards noted below (the Requirements).

Sustainable Forestry Initiative® (SFI) 2015-2019 Forest Management Standard

Sustainable Forestry Initiative® (SFI) 2015-2019 Fiber Sourcing Standard

Scope of Certification

Forest land management including planning, harvesting, road construction, transportation of logs and reforestation from operations on Crown forest land including and fiber sourcing for the operations listed in Annex A in British Columbia, Alberta and Saskatchewan.

Management is responsible for ensuring the management system meets the Requirements. Our responsibility is limited to assessing whether management has demonstrated that the Requirements were met. Our assessment was conducted in accordance with ISO 17021 management system assessment standard and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met.

A description of our responsibilities for the assessment of the management system is located at www.pwc.com/ca/certificate. The SFI standard can be found at www.sfiprogram.org.

Based on our assessment, the management system met the Requirements, in all material respects, as of July 12, 2022.

The validity of this certificate is subject to satisfactory annual maintenance assessments.
